General Information

It is our intention to serve you by offering very competitive prices and superior service at convenient locations so you may operate your crews as efficiently and effectively as possible.

Wholesale Eligibility

Green Industry catalogs and accounts are intended for use by companies whose primary business is in landscaping & lawn care. To be eligible, a company must spend a minimum of \$3,500 with Suburban over the course of a calendar year. Accounts which fail to spend the minimum will be subject to removal from wholesale pricing.

Credit Accounts are available for those who apply and are approved. To be considered for a credit account, you must complete a credit application. Credit accounts are net 30 days from invoice date. Credit applications are available at the Green Industry Checkout. If there is no credit history on your company, Suburban cannot extend credit. Standard wholesale accounts must be in good standing for one year before a credit account application will be considered.

Pricing

Prices are (FOB) at our three retail locations in Overland Park (10501 Roe Ave, KS,) Martin City (4 West 135th St, MO,) and Lenexa (9275 Dunraven St, KS.) and on SuburbanLG.com

Prices are subject to change without notice. Price invoiced will be the price in effect at the time of delivery or pick-up. All materials subject to availability. Wholesale pricing is confidential and is not to be shared with your customers.

Guarantees & Liability

Suburban guarantees our nursery stock to be true to name and healthy at time of pick-up. We will not be liable for any amount greater than the original purchase price. No other guarantee is expressed or implied. **The guarantee provided to Suburban's retail customers does not apply to wholesale customers.**

Authorized Buyers Only

Any individual who makes a purchase on a Contractor's account must be an authorized buyer. We will not sell, tag, exchange, or return items directly to your

Información General

Es nuestra intención servirle ofreciéndole precios muy competitivos y un servicio superior en ubicaciones convenientes para que pueda operar sus tripulaciones de la manera más eficiente y efectiva posible.

Política de Ventas

Los catálogos y cuentas de Green Industry están destinados a ser utilizados por empresas cuyo negocio principal es el paisajismo y el cuidado del césped. Para ser elegible, una empresa debe gastar un mínimo de \$3,500 con Suburban en el transcurso de un año calendario. Las cuentas que no gasten el mínimo estarán sujetas a la eliminación de los precios mayoristas.

Las cuentas de crédito están disponibles para aquellos que las soliciten y sean aprobadas. Para ser considerado para una cuenta de crédito, debe completar una solicitud de crédito. Las cuentas de crédito son netas a 30 días a partir de la fecha de la factura. Las solicitudes de crédito están disponibles en Green Industry Checkout. Si no hay historial de crédito en su empresa, Suburban no puede otorgar crédito. Las cuentas mayoristas estándar deben estar al día durante un año antes de que se considere una solicitud de cuenta de crédito.

Precios

Los precios son (FOB) en nuestras tres tiendas minoristas en Overland Park (10501 Roe Ave, KS), Martin City (4 West 135th St, MO) y Lenexa (9275 Dunraven St, KS.) y en SuburbanLG.com.

Los precios están sujetos a cambios sin previo aviso. El precio facturado será el precio vigente en el momento de la entrega o recogida. Todos los materiales están sujetos a disponibilidad. Los precios al por mayor son confidenciales y no deben compartirse con sus clientes.

Garantías y Responsabilidades

Suburban garantiza que nuestro material de vivero sea fiel a su nombre y esté en buen estado en el momento de la recogida. No seremos responsables de ninguna cantidad mayor que el precio de compra original. Ninguna otra garantía está expresa o implícita. La garantía proporcionada a los clientes minoristas de Suburban no se aplica a los clientes mayoristas.

Solo Compradores Autorizados

Cualquier persona que realice una compra en la cuenta de un Contratista debe ser un comprador autorizado. No venderemos, etiquetaremos, intercambiaremos ni devolveremos artículos directamente a su cliente.

customer. Please accompany your customers if they want to be included in stock selection.

Wholesale pricing is confidential and therefore your customers are not allowed to pay Suburban Wholesale prices for your merchandise. Please do not send your customers to any store for service from Suburban employees.

Tagging Merchandise

Only merchandise **paid in full** may be tagged as “Sold” and may be done only with approval of a Suburban Lawn & Garden employee from Wholesale dept. Your customers are not permitted to tag merchandise without you present. Your company’s name and date of pick up/delivery must be on the tag.

Suburban and its staff work diligently to ensure purchased merchandise awaiting pickup is well-maintained and not double sold to another customer. Suburban is not responsible for the accidental or malicious removal of “Sold” tags. If this unfortunate event occurs, a full refund will be issued and all efforts to replace the item(s) will be made.

Cancelling Tagged Orders

Sold nursery stock and other non-perishable merchandise may remain on the stores’ premises and tagged with pickup date for up to 30 days after full payment is made. Annuals, perennials, and tropicals must be picked up within 24 hours and **will not be held over the weekend** without approval of the department manager. Failure to pick up paid merchandise without communicating with the department manager will result in contractor receiving store credit and merchandise will be returned to the sales floor.

All store managers reserve the right to adjust the duration of time certain merchandise may be left on Suburban’s property after payment. This includes reducing the duration to less than 30 days due to an item’s perishability, availability, and/or seasonality.

Any purchased merchandise remaining on Suburban’s premises after 30 days are subject to a 20% cancellation fee and will be restocked. A store credit will be issued for the remaining amount. Due to the limited, seasonal window Suburban has to sell merchandise, no cash or credit card refunds will be issued on paid orders which are cancelled 30 days after purchase date.

Checks returned for any reason will incur a \$30.00 service charge.

Por favor, acompañe a sus clientes si quieren ser incluidos en la selección de stock.

Los precios al por mayor son confidenciales y, por lo tanto, sus clientes no pueden pagar precios mayoristas Suburban por su mercancía. Por favor, no envíe a sus clientes a ninguna tienda para que los empleados de Suburban los atiendan.

Etiquetado de Mercancías

Solo la mercancía pagada en su totalidad puede etiquetarse como “Vendida” y solo se puede hacer con la aprobación de un empleado de Suburban Lawn & Garden del departamento de venta al por mayor. Sus clientes no pueden etiquetar mercancía sin que usted esté presente. El nombre de su empresa y la fecha de recogida/entrega deben estar en la etiqueta. Suburban y su personal trabajan diligentemente para garantizar que la mercancía comprada en espera de recogida esté bien mantenida y no se venda dos veces a otro cliente. Suburban no se hace responsable de la eliminación accidental o maliciosa de las etiquetas de “Vendido”. Si ocurre este desafortunado evento, se emitirá un reembolso completo y se harán todos los esfuerzos para reemplazar los artículos.

Cancelacion de Pedidos Etiquetados

El material de vivero vendido y otra mercancía no perecedera puede permanecer en las instalaciones de las tiendas y etiquetada con la fecha de recogida hasta 30 días después de que se realice el pago completo. Las plantas anuales, perennes y tropicales deben recogerse dentro de las 24 horas y **no se llevarán a cabo durante el fin de semana** sin la aprobación del gerente del departamento. Si no se recoge la mercancía pagada sin comunicarse con el gerente del departamento, el contratista recibirá un crédito de la tienda y la mercancía se devolverá al piso de ventas.

Todos los gerentes de tienda se reservan el derecho de ajustar la duración del tiempo que cierta mercancía puede permanecer en la propiedad de Suburban después del pago. Esto incluye reducir la duración a menos de 30 días debido a la perecederidad, disponibilidad y/o estacionalidad de un artículo.

Cualquier mercancía comprada que permanezca en las instalaciones de Suburban después de 30 días está sujeta a una tarifa de cancelación del 20% y será reabastecida. Se emitirá un crédito de la tienda por el monto restante. Debido a la ventana limitada y estacional que Suburban tiene para vender mercancía, no se emitirán reembolsos en efectivo o con tarjeta de crédito en pedidos pagados que se cancelen 30 días después de la fecha de compra.

Los cheques devueltos por cualquier motivo incurrirán en un cargo por servicio de \$30.00.

Reserved Merchandise

At the department manager's discretion, Suburban may agree to reserve plant material for later payment and pickup through a phone or email request. Merchandise will NOT be set aside for longer than 24 hours without communication and express permission of the department manager or store manager.

Product Returns

Merchandise purchased at the Contractor's checkout or at SuburbanLG.com and removed from the premises may be returned pending a Wholesale or Store manager's approval. At the manager's discretion, returns are subject to a 20% restocking fee.

All Returns must be:

- made within 48 hours of purchase
- in sellable condition
- accompanied by the original invoice.

Suburban reserves the right to issue store credit in lieu of a refund.

Garden Center Variances

Roe

Due to space constraints, B&B evergreen trees are not available at the Overland Park store.

Roe & Lenexa

Gravel, enriched topsoil, and mulch are sold at slightly higher prices at our stores in Lenexa and Overland Park due to Suburban's additional transportation costs.

Loading Policy

Orders must be invoiced at the Contractors' checkout counter **before** loading nursery stock or merchandise.

When you are ready to load, proceed to the designated loading areas and give a Suburban loading employee the gold-colored "loading copy" of your receipt. Under no circumstances are you permitted to load merchandise into/onto your vehicle or trailer prior to

Mercancia Reservada

A discreción del gerente del departamento, Suburban puede acordar reservar el material de la planta para su posterior pago y recogida a través de una solicitud por teléfono o correo electrónico. La mercancía NO se dejará a un lado por más de 24 horas sin comunicación y permiso expreso del gerente del departamento o gerente de la tienda.

Devoluciones de Productos

La mercancía comprada en la caja del Contratista o en el SuburbanLG.com y retirada de las instalaciones puede devolverse a la espera de la aprobación del gerente de la tienda o del mayorista. A discreción del gerente, las devoluciones están sujetas a una tarifa de reposición del 20%.

Todas las devoluciones deben ser:

- realizadas dentro de las 48 horas posteriores a la compra
- en condiciones de venta
- acompañadas de la factura original.

Suburban se reserva el derecho de emitir crédito de la tienda en lugar de un reembolso.

Variedades de Centros de Jardineria

Roe

Debido a las limitaciones de espacio, los árboles de hoja perenne de B&B no están disponibles en la tienda de Overland Park.

Roe & Lenexa

La grava, la capa superior del suelo enriquecida y el mantillo se venden a precios ligeramente más altos en nuestras tiendas en Lenexa y Overland Park debido a los costos de transporte adicionales de Suburban.

Politica de Cargas

Los pedidos deben facturarse en el mostrador de caja de los contratistas antes de cargar el stock de vivero o la mercancía.

Cuando esté listo para cargar, diríjase a las áreas de carga designadas y entregue a un empleado de carga de Suburban la "copia de carga" de color dorado de su recibo. Bajo ninguna circunstancia se le permite

completing payment in full.

“Will Call” loading tickets are kept on file at the Wholesale Checkout Counter.

For inventory tracking purposes, we do not allow loading of products at a different store than the one from which they were purchased.

At the time of purchase, if you do not take your entire order with you, it is your responsibility to have the gold “load copy” when you return to pick up the remaining merchandise.

Contractors are responsible for tying and covering their loads. Tarps and burlap are available for purchase. Contractors are responsible for making sure the correct stock is loaded. Suburban employees are not responsible for over-burdened trucks or trailers.

Suburban reserves the right to refuse to load any vehicle or trailer we deem unsafe. Failing to follow any of these loading policies may result in the closing or suspension of a Contractor’s wholesale account.

Safety

Golf cart drivers must have a valid drivers license and be over 18. Individuals are not allowed to ride in the back of golf carts or on trailers. Golf carts are not allowed in parking lots. Children are not permitted to operate any nursery vehicle.

Do not drive any vehicle closely behind skid steers or front-end loaders. Our operators are very cautious but they cannot make quick stops with heavy loads.

Suburban will not be held liable for any accidents due to negligence or inattention on the part of the contractor.

cargar mercancía en / sobre su vehículo o remolque antes de completar el pago en su totalidad.

Los boletos de carga de “Will Call” se guardan en el archivo en el mostrador de pago mayorista.

Para fines de seguimiento de inventario, no permitimos cargar productos en una tienda diferente a aquella en la que se compraron. En el momento de la compra, si no lleva consigo todo su pedido, es su responsabilidad tener la “copia de carga” dorada cuando regrese a recoger la mercancía restante.

Los contratistas son responsables de atar y cubrir sus cargas. Las lonas y la arpillera están disponibles para su compra. Los contratistas son responsables de asegurarse de que se cargue el stock correcto. Los empleados suburbanos no son responsables de los camiones o remolques sobrecargados.

Suburban se reserva el derecho de negarse a cargar cualquier vehículo o remolque que consideremos inseguro. El incumplimiento de cualquiera de estas políticas de carga puede resultar en el cierre o la suspensión de la cuenta mayorista de un Contratista.

Seguridad

Los conductores de carritos de golf deben tener una licencia de conducir válida y ser mayores de 18 años. Las personas no pueden viajar en la parte trasera de carritos de golf o en remolques. Los carritos de golf no están permitidos en los estacionamientos. Los niños no están autorizados a operar ningún vehículo de la guardería.

No conduzca ningún vehículo cerca de minicargadoras o cargadores frontales. Nuestros operadores son muy cautelosos, pero no pueden hacer paradas rápidas con cargas pesadas.

Suburban no se hace responsable de ningún accidente debido a negligencia o falta de atención por parte del contratista

Spring is a great time to update your authorized buyers list

Anyone not on your authorized buyers list
will be turned away. This is for your protection
to avoid unauthorized charges.

There are no exceptions.

All Contractor accounts must be updated anytime
an employee with purchasing authorization is
added or removed.

Please ensure your employees are aware they must
sign for anything charged to your account. If they
are unwilling to sign, do not send them in to charge
on your account.

Soils & Amendments

Summerfield Farms by Suburban

Enriched Topsoil

(A blend of Topsoil and Compost)

BGTOPSPE	¾ ft³	2.89
(60 bags/pallet)		
TOPSPE	1/yd³	37.99
TOPSPER	1/yd³ from Roe	42.99
TOPSPEL	1/yd³ from LNX	39.99

Pine Bark Soil Conditioner

Small chips of pine bark. Excellent for amending soil (adds needed air space), planting or mulching. This product is especially good for mulching perennial beds.

BGPINSL	2 ft³	4.99
(50 bags/pallet)		
PINS	yd³	52.99

Organic Soil Conditioner

Made of 75% pine bark and 25% compost plus trace minerals. This product was created to use in planting nursery stock. It helps to loosen the clay soil prevalent in this area and aids in the percolation of moisture by adding air space to the soil.

OSC	1.5 ft³	8.29
(50 bags/pallet)		

Compost

Made up of composted yard waste. This product is excellent for top-dressing grass seed because it not only holds moisture, it keeps the seed in place even on slopes and is weed free. It has a much more wholesome odor than some other brands. Excellent for amending all garden soils and for planting.

BGCOMP	1 ft³	5.29
(60 bags/pallet)		
COMP	yd³	41.99

*OMRI Certified Organic

Composted Buffalo Manure

Contains over 50% of buffalo manure along with compost. Good for soil amendment and planting.

BGCOW	1 ft³	4.99
(60 bags/pallet)		

Professional Potting Mix

(75% Pine Bark Soil Conditioner, 25% Compost plus Micro-nutrients.) Great for planting annuals and perennials in pots or mixing w/garden soil in beds.

PPM30	1 ft³	8.29
(60 bags/pallet)		

*OMRI Certified Organic

Raised Bed Mix

Raised Bed Mix is a blend of 25% enriched topsoil. 37.5% Organic compost and 37.5% pulverized pine bark. Locally made with sustainable ingredients. Perfect for filling a raised bed or mixing with your existing garden soil.

BGRBM	1 ft³	6.49
(60 bags/pallet)		

Specialized Amendments

"Back To Earth" - Cotton Burr Compost Bag

Made of composted cotton burr. There has been a great demand for this product which is good for amending all garden soils. May be used to plant nursery stock.

CBCOMP	2 ft³	11.49
(55 bags/pallet)		

Lime, Pelletized

BGLIM	40 lbs.	9.99
(63 bags/pallet)		

Sphagnum Peat Moss

Natural product harvested from Canadian peat fields. This product may be used when planting nursery stock.

BGPET1	1 ft³	12.99
BGPET2	2.2 ft³	18.99
BGPET4	3.8 ft³	25.99

Gypsum, Pelletized

BGGYP	40 lbs.	10.99
(70 bags/pallet)		

Treflan - 5%

TREF5G	40 lbs.	49.99
--------	---------	-------

Pro-Mix

* One 3.8 ft³ compressed bale = appx two and a half 2.8 ft³ bags

Pro-mix HP (High Porosity) with Mycorrhizae HP

- Dries out more frequently than general purpose, peat-based mixes.
- Well suited for low-light growing conditions and high humidity
- Reduces incidence of water-related disease problems
- Excellent mix for tropical & indoor plants

PROMIXHP28	2.8 ft ³ Bag (72 Dry Qt)	\$25.99
PROMIXHP	3.8 ft ³ Bale (182 Dry Qt Loose)	\$56.99

Pro-Mix BX (General Purpose) with Mycorrhizae

- Answers the needs of most growing applications.
- Light-weight, low bulk-density.
- High water-holding capacity.
- Vermiculite improves nutrient retention.
- Ideal for hanging baskets and containers

PROMIX28	2.8 ft ³ Bag (72 Dry Qt)	\$20.99
PROMIXBX	3.8 ft ³ Bale (182 Dry Qt Loose)	\$49.99

Pro-Mix LP15

- High quality, low cost
- Light-weight, low bulk density
- High water-holding capacity
- Alternative for general purpose mix
- Economical for inground or container plantings

PROMIXLP28	2.8 ft ³ Bag (72 Dry Qt)	\$19.99
PROMIXLP	3.8 ft ³ Bale (182 Dry Qt Loose)	\$42.99

Pro-Mix Organic Vegetable & Herb Mix

- Perfect for vegetable, fruit, and herb needs
- Suitable for containers or in-ground
- MycoActive technology to stimulate growth for greater stress resistance, larger root system, increased nutrient and water uptake.
- Produces bigger, healthier plants

PROMIXIV	1 ft ³ Bag	\$11.99
PROMIX2V	2 ft ³ Bag	\$18.99

Hand Picked vs Pallet Pricing

Picking out select pieces of natural rock flagstone or edging from a pallet affects our ability to sell our inventory. As a result, we now offer a discount when purchasing complete pallets.

Note: Returns of partial pallets will not be accepted.

Azalea, Poukhanense Compacta

4'x4', Lilac blossoms in spring. Dark evergreen foliage changes to orange-red in fall.

AZPC5	3-5 gal	29.99 39.99
-------	---------	--------------------

Deciduous Azalea

4'x4', Bloom in early spring before foliage emerges.

Gibraltar		Dark orange
AZEG5	3-5 gal	45.99 59.99
Mandarin Lights		Orange
AZML5	3-5 gal	29.99 39.99
Rosy Lights		Pink
AZRL3	3-5 gal	29.99 39.99
Cannons Double		Pink
AZEXCD2	2 gal	29.99 39.99
AZEXCD5	5 gal	45.99 59.99

Note:

Most Azalea are semi-evergreen in our area. They require a well-drained, acidic soil. We recommend Soil Sulfur or Aluminum Sulfate to lower the pH of your soil before planting. Once the correct pH has been achieved, Holly-Tone is an excellent option to not only maintain an acidic soil, but to also feed the plant.

Barberry

Barberry, Admiration

2'x2', Burgundy leaves with a golden border. Drought-tolerant and low maintenance.

BA2	2 gal	29.99	39.99
BA5	3-5 gal	37.99	49.99

Barberry, Bonanza Gold

18"x24", Japanese barberry that produces yellow flowers in spring and red berries that last throughout winter.

BBG2	2 gal	29.99	39.99
------	-------	--------------	-------

Barberry, Concorde

24"x18"-24", Petite with maroon-purple foliage, becomes more intense in the fall. Dense, rounded growth.

BCON2	2 gal	29.99	39.99
BCON5	3-5 gal	37.99	49.99

Barberry, Crimson Pygmy

3'x3', Small, low, dense shrub with crimson foliage.

BCP2	2 gal	29.99	39.99
BCP5	3-5 gal	37.99	49.99

Barberry, Golden Nugget

1'x1', Compact, mounding, symmetrical form. Foliage is bright yellow turning orange fall color.

BGN1	1 gal	14.99	19.99
BGN2	2 gal	29.99	39.99

Barberry, Golden Ruby

24"x24", Dense rounded habit. Orange new growth matures to burgundy with gold margin. Fall color is flame orange to brick red.

BGR2	2 gal	29.99	39.99
------	-------	--------------	-------

Barberry, Orange Rocket

4'x2", Upright columnar. New growth is vibrant coral orange.

BOR2	2 gal	29.99	39.99
BOR5	3-5 gal	37.99	49.99

Barberry, Pygmy Ruby

1.5'x3', Dense, globe shaped variety with glossy red foliage.

BPR2	2 gal	29.99	39.99
------	-------	--------------	-------

Barberry, Sunjoy Mini Maroon

2-3'x2-3', Dark maroon foliage. Sterile, doesn't attract birds.

BSMM2	2 gal	29.99	39.99
-------	-------	--------------	-------

Barberry, Sunjoy Mini Saffron

2-3'x2-3', Yellow foliage turns orange in fall.

BSMS2	2 gal	29.99	39.99
-------	-------	--------------	-------

Barberry, Sunjoy Neo

30-32"x30-32", Vivid orange foliage. Grows naturally in a round shape.

BSN2	2 gal	29.99	39.99
------	-------	--------------	-------

Barberry, Sunjoy Sequins

2-3'x2-3', Variegated green and white foliage turns red and pink in fall.

BSSS2	2 gal	29.99	39.99
-------	-------	--------------	-------

Beautyberry

Beautyberry, Pearl Glam

4-5'x3-4', Dark purple foliage from spring to frost. Small white flowers in late summer which yields dozens of orchid colored berries in fall.

BEAUPG2	2 gal	29.99	39.99
---------	-------	--------------	-------

Beautyberry, Purple Pride

4'x4', Graceful branching. Clusters of pink flowers in spring, followed by masses of purple berries in fall.

BEAUPP5	3-5 gal	29.99	39.99
---------	---------	--------------	-------

Boxwood

Boxwood, Baby Gem

4'x4', Mounded oval habit. Evergreen leaves will show slight bronzing in winter cold.

BXBG1	1 gal	14.99	19.99
BXBG2	2 gal	29.99	39.99
BXBG5	3-5 gal	37.99	49.99

Boxwood, Dee Runk

8'x2', Upright, grown for both its form and its ability to thrive in various site conditions. Prune as needed in late winter to maintain density and desired form.

BXDR7G	7 gal	79.99	99.99
BXDR	4'	199.99	249.99

Boxwood, Franklin's Gem

3'x2', Compact, hardy, evergreen. Small, finely textured, bright green foliage turns an attractive olive-green during winter.

BXFG5	3-5 gal	42.99	54.99
-------	---------	--------------	-------

Boxwood, Freedom

4'x4', Vigorous variety with glossy green foliage. Tight and uniform growth.

BXF1	1 gal	14.99	19.99
BXF2	2 gal	29.99	39.99
BXF5	5 gal	37.99	49.99

Boxwood, Golden Dream

2'x3', Bright green foliage with golden-yellow variegation.

BXGD5	3-5 gal	37.99	49.99
-------	---------	--------------	-------

Boxwood, Graham Blandy

10'x2', Columnar growth habit. Dark green rounded evergreen leaves retain color in winter.

BXGB30	30"	119.99	139.99
BXGB36	36"	139.99	179.99

Boxwood, Green Beauty

5'x5', Dark green evergreen leaves have slight bronzing in cold weather.

BXGBE1	1 gal	17.99	24.99
BXGBE2	2 gal	37.99	49.99
BXGBE5	3-5 gal	64.99	84.99

Boxwood, Green Gem

3-4'x3-4', Compact and rounded habit. Green foliage shows some bronzing in the winter.

BXGG2G	2 gal	29.99	39.99
BXGG5G	3-5 gal	37.99	49.99
BXGG10G	10 gal	99.99	129.99

Boxwood, Green Mountain

5'x4', Pyramidal shape. Bright green evergreen leaves retain color in winter.

HSKR5	3-5 gal	37.99	49.99
-------	---------	--------------	-------

Honeysuckle, Thunderbolt

4'x4', White spring blooms. Bright yellow semi-evergreen foliage.

HST2	2 gal	19.99	29.99
------	-------	--------------	-------

Note: Only female holly will attract birds, because male shrubs do not produce berries.

Wholesale & Retail Price

Hydrangea Classifications

There are five main categories of hydrangea groups, each with different bloom types, color features, pruning needs and sun tolerances.

Big Leaf (*Macrophylla* - M)

 Requires afternoon shade and good drainage. Most have large, mop-head blooms from June to October. It comes in colors ranging from white, pink and blue. Blue varieties will require an acidic soil pH to maintain that color. Generally needs little pruning. Most bloom on old wood, so remove dead wood as spring growth begins, taking care not to trim buds or shrub may not bloom. Expect little blooming the first two years and after a hard winter.

Smooth (*Arborescens* - A)

 The best Hydrangea for full shade. Large mop head blooms from June to September. The blooms and foliage will burn if placed in afternoon sun. Blooms on new wood, trim back in early spring for the best blooming. Prune close to the ground every other year in late winter to keep neat and encourage new growth.

Mountain (*Serrata* - S)

 Requires afternoon shade and good drainage. Blooms and foliage resemble Big Leaf Hydrangea. Prune after flowering as needed. Most bloom on old wood, so remove dead wood as spring growth begins.

Hydrangea - *Macrophylla*, *Arborescens* & *Serrata*

Hydrangea, Annabelle (A)

Hydrangea Classifications

There are five main categories of hydrangea groups, each with different bloom types, color features, pruning needs and sun tolerances.

Oakleaf (*Quercifolia* - Q)

☀️ ☀️ Can tolerate full sun, but prefers afternoon shade. Requires good drainage. Large, white, cone shaped blooms from July to September. Prune after flowering as needed. Blooms on old wood, so remove dead wood as spring growth begins. Native to the U.S. Beautiful fall color and exfoliating bark for winter interest.

Panicle (*Paniculata* - P)

☀️ ☀️ Most adaptable and sun-tolerant of all hydrangeas. Six or more hours of bright sun is recommended. Cone shaped blooms appear on new wood. Prune in late fall once the plant has gone completely dormant, or in early spring just as new growth begins to emerge.

Hydrangea - *Paniculata* & *Quercifolia*

Hydrangea, Berry White (P)

6-7'x4-5', Strong, upright stems hold flowers that start out white and progress to dark pink.

Sweetspire

Sweetspire, Fizzy Mizzy

2-3'x3-4', Bright white flower spikes in early summer. Red fall foliage.

SSFM2	2 gal	29.99	39.99
SSFM5	3-5 gal	37.99	49.99

Sweetspire, Henry's Garnet

5'x6', White flower spikes in early summer. Green leaves change to reddish-purple in fall to winter.

SSHG5	3-5 gal	29.99	39.99
-------	---------	--------------	-------

Sweetspire, Little Henry

3'x3', White flower spikes in early summer. Green leaves change to multi-tones of oranges and reds.

SSLH5	3-5 gal	32.99	49.99
-------	---------	--------------	-------

Sweetspire, Scentlandia

2-3'x2-3', Largest, longest, most fragrant flowers of all Sweetspire. Green foliage turns red in the fall.

SSS5	3-5 gal	37.99	49.99
------	---------	--------------	-------

Sweetspire, Short n'Sweet

3'x4', White flower spikes early summer. Reddish-purple in fall to winter.

SSSS5G	3-5 gal	24.99	39.99
--------	---------	--------------	-------

Viburnum

Viburnum, Alleghany

10'x10', White flowers in spring followed by red fruit that matures to black. Dark green foliage is Semi-evergreen.

VIAL5	3-5 gal	37.99	49.99
-------	---------	--------------	-------

Viburnum, Brandywine

6'x5', White flowers in spring followed by pink and blue fall fruit. Leaves change to maroon in fall.

VIBW2	2 gal	29.99	39.99
VIBW5	3-5 gal	37.99	49.99

Viburnum, Burkwood

5'x5', Fragrant white blossoms in spring. Leaves change to maroon in fall.

VIBR2	2 gal	29.99	39.99
VIBR5	3-5 gal	37.99	49.99

Viburnum, Eastern Snowball

12'x10', Produces white snowball-like flower clusters in summer. Leaves change to purplish-red in fall. Sterile, does not fruit.

VIOPS5	3-5 gal	37.99	49.99
--------	---------	--------------	-------

Viburnum, Juddi (Fragrant)

8'x8', Fragrant white blossoms in spring followed by black berries in fall. Semi-evergreen.

VIJ5	3-5 gal	37.99	49.99
------	---------	--------------	-------

Viburnum, Korean Spice

5'x5', Fragrant pink and white blossoms in spring followed by black berries in fall. Semi-evergreen.

VICA5	3-5 gal	37.99	49.99
VICA7	7 gal	74.99	99.99

Viburnum, Leatherleaf

10'x5', White blossoms in spring followed by red berries that mature to black in fall. Dark, semi-evergreen foliage.

VILL5	3-5 gal	37.99	49.99
-------	---------	--------------	-------

Viburnum, Opening Day

5-10'x5-8', Baseball size, snowball-like flowers mature to pure white. This compact shrub has a tight habit with dark green foliage that becomes beautiful shades of cabernet in fall.

VIOD5	3-5 gal	37.99	49.99
-------	---------	--------------	-------

Viburnum, Prague

8-10'x6'-8', Fragrant white blossoms in spring. Semi-evergreen.

VIPIR5	3-5 gal	37.99	49.99
--------	---------	--------------	-------

Viburnum, Summer Snowflake

5-8'x5-10', White blossoms in late spring through summer. Leaves change to reddish-bronze in fall.

VISSN5	3-5 gal	37.99	49.99
--------	---------	--------------	-------

Viburnum, Winterthur Smooth

6'x6', White blossoms in late spring followed by pinkish berries that mature to purplish-black. Leaves turn maroon in fall.

Knock-Out Roses

3-4'x4', Color varies by variety. Blooms spring to fall.

	2 gal	23.99	29.99
--	-------	--------------	-------

Blushing Knock-Out (ROSEKOB)

Semi-double soft shell pink blooms

Double Knock-Out (ROSEDKO)

Double red blooms

Double Pink Knock-Out (ROSEDKOP)

Double bubble gum pink flower clusters

Petite Knock-Out (ROSEPKO)

18"x 18", First-ever miniature Knock-Out Rose! It blooms non-fading, fire engine red with a bloom size is of one inch.

Sunny Knock-Out (ROSEKOS)

Yellow buds that change creamy white. Fragrant

White Knock-Out (ROSEKOW)

Pure white blooms and very dark green foliage.

Roses require a minimum 6 hours of sunlight per day. They are heavy feeders and do best when regularly fertilized during the blooming period.

Grasses

Bamboo

Bamboo, Fargesia Rufa Clumping

6'-8', Adolescent leaf sheaths are orangish in color changing to bright green. Cold hardy.

BAMFR2	2 gal	44.99	59.99
--------	-------	--------------	-------

Japanese Forest Grass

Grass, Japanese Forest Golden

1'x1', Clumping bright yellow with slender green lines.

GGJF1	1 gal	18.99	24.99
-------	-------	--------------	-------

Grass, Japanese Forest All Gold

1'x1', Slender stems that hold bright golden yellow foliage create a tiny bamboo-like effect.

GAGJF1	1 gal	18.99	24.99
--------	-------	--------------	-------

Ornamental

Grass, Adagio Dwarf

3-4'x2-3', Clump form with slender silvery foliage. 5' blooms in fall.

Fruit Trees & Shrubs

Apple

Apple, 3 in 1

10'x10', Three different varieties grafted onto one rootstock. Ripens late summer through fall. Self-pollinating.

A317G	7 gal	119.99	149.99
A3115E	15 gal	189.99	249.99

Apple, Firestorm

8'-12'x8-12', A sport of Honeycrisp. The same sweet, crisp flavor but with striking red skin. Ripens in September.

AFSD7G	7 gal	79.99	109.99
--------	-------	--------------	--------

Apple, Fuji

12'-15'x12'-15', This semi dwarf tree produces crispy apples in late October with a mildly sweet flavor and a hint of honey and citrus. Late season bloomer.

ARFSD7	7 gal	79.99	109.99
--------	-------	--------------	--------

Espalier

AFE20G	20 gal	269.99	349.99
--------	--------	---------------	--------

Apple, Gala Semi-Dwarf

15'x8'-10', Ripens early. Good for eating, baking, dessert apple. Stores well. Harvest late August/early September, through fall.

AGSD7	7 gal	79.99	109.99
-------	-------	--------------	--------

Apple, Granny Smith

12-15'x12-15', This semi dwarf tree produces medium sized crisp apples that are sweet and tart. Mid season bloomer.

AGSSD7	7 gal	79.99	109.99
--------	-------	--------------	--------

Apple, Honeycrisp Semi-Dwarf

10'-12'x6', Large red fruit with crisp sweet, juicy flesh. Excellent for eating and cooking. Cold hardy. Ripens late August or early September.

AHSD7G	7 gal	79.99	109.99
--------	-------	--------------	--------

Apple, McIntosh

12'x15', In mid September, produces juicy apples with a sweet tart flavor and a hint of spiciness. Long storage life. Mid season bloomer.

AMSD7G	7 gal	79.99	109.99
--------	-------	--------------	--------

Apple, Red Delicious Semi-Dwarf

10'x10', Blooms late March to early April, followed by dark red fruit in mid September.

ARDSD7	7 gal	79.99	109.99
--------	-------	--------------	--------

Apple, Royal Gala

12-15'x12-15', In late August, this semi-dwarf tree bears medium sized apples with a sweet and tart flavor. Late season bloomer.

ARGSD7	7 gal	79.99	109.99
--------	-------	--------------	--------

Note: All apples require another variety of apple for pollination.

Blackberry

pH

Blackberry, Apache

6'x3', Thornless variety producing conical, firm, high-yielding fruit at the end of June to first part of July.

BLKAP3	3 gal	26.99	34.99
--------	-------	--------------	-------

Blackberry, Arapaho

5'x7', A thornless blackberry that produces early large, firm fruit at the end of May. Green foliage changes to burgundy in fall.

BLKAR3	3 gal	26.99	34.99
--------	-------	--------------	-------

Blackberry, Baby Cakes

3'-4'x3'-4' Thornless dwarf plant that produces large fruit in summer and fall.

BLKBC2	2 gal	29.99	39.99
--------	-------	--------------	-------

Blackberry, Natchez

5'x4', Produces in early June high yields of large, sweet berries.

BLKN3	3 gal	26.99	34.99
-------	-------	--------------	-------

Blackberry, Ouachita

5'x3', Plump, medium sized fruit in mid-June.

BLKQ3	3 gal	26.99	34.99
-------	-------	--------------	-------

Note:

Blackberries require 6+ hours of sun and a soil pH of 5.5-6.5 in order to produce fruit. They require a trellis to support the brambles.

Blueberry

pH ⚙️ ⚙️

Note:

Blueberries require 4+ hours of sun, preferably before 3pm, and a soil pH of 4.5-5.5. All varieties will have great fall color and could be used in the landscaping. They require 2 plants for pollination, preferably different varieties.

Blueberry, Northland

6'x5', Upright habit produces pink tinged white flowers followed by blueberries. Orange fall color.

BLUN 2 gal **29.99** 39.99

Blueberry, Patriot

6'x4', Produces pink and white blooms in spring followed by quarter-sized berries in June. Orange fall color.

BLUP2 3 gal **29.99**

Blueberry, Perpetua

5'x3', Produces plump, medium-sized pink fruit in mid-June. Orange fall color.

BLUPER2 2 gal **29.99**

Cherry

Note:

Tart (pie) cherries are self-pollinating. Sweet cherries require another cherry tree for pollination. It can be the same or a different variety.

Cherry, Bing

10'-15'x10'-15', This semi-dwarf tree is a mid-season bloomer. Large, dark burgundy fruit is sweet and semi-freestone.

CHB7G 7GAL **79.99** 109.99

Cherry, Black Tartarian

15'x15', Early-bearer blooms prolifically to yield large, cherry-red to purplish-black fruit. Sweet, rich flavor. Ripens in June. An ideal pollinator for other sweet cherries.

CHBT7G 7 gal **79.99** 109.99

Cherry, Montmorency Semi-Dwarf

12'x15', Compact round shaped habit, self-fertile tree produces tangy cherries in mid June to early July. Best pie cherry. Medium sized cherries.

CHM7G 7 gal **79.99** 109.99

Grape

Grape, Fredonia

8'x10', Produces large, deep-purple fruit in late August. Large green foliage on twisty vines.

GRPF2 2 gal **22.99** 29.99

Grape, Mars

6'x10', Produces blue fruit in late August to early September. Large green foliage on twisty vines.

GRPM2 2 gal **22.99** 29.99

Grape, Reliance Pink Seedless

20', Cold hardy vine produces very sweet pink grape clusters in late August. Will produce 40 -50 grape clusters per vine.

GRPRP2 2 gal **22.99** 29.99

Note:

Grapes vines require 6+ hours of sun and a soil pH of 5.5-6.5. They are self-fertile and require a trellis for support. Grape leaves are VERY sensitive to sprays. Take caution when killing weeds or insects near the plant.

Peach

Peach, Contender

12-15'x15', Yields large crops of medium-to-large fruit in mid to late August. Pink flowers in spring. Cold-hardy. Freestone. Self-pollinating.

PCON7G 7 gal **79.99** 109.99

Peach, Elberta

8'-10'x8', This semi-dwarf tree has a rounded shape. Not drought tolerant. Ideal for eating, canning, or cooking.

PESD7 7 gal **79.99** 109.99

Peach, Red Haven Semi-Dwarf

8'x8', Produces fragrant flowers in spring, followed by red over yellow freestone fruit.

PRHSD7G 7 gal **79.99** 109.99

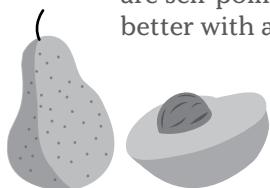

Peach, Reliance

8'x8', This peach tree blooms fragrant pink flowers in spring with green glossy leaves that change to bright red in fall. Yellow with red blushed skinned fruit perfect for canning.

PRSD7G 7 gal **79.99** 109.99

Note:

Peach, Pear and Plum fruiting trees are self-pollinating but all will perform better with another fruit tree nearby.

Pear

Pear, Asian 3 in 1

12-15'x15', Large crops of medium-to-large fruit in mid to late august. Pink flowers in spring. Cold hardy. Freestone. Self-pollinating.

PA3110G 10 gal **139.99** 179.99

Pear, Asian 20th Century Espalier

6'x6', Bears medium sized Asian Pears at a young age. Very productive. Ripens mid-August. Can use Bartlett as a polinator.

PTC15E 1.5"esp **219.99** 279.99

Pear, Bartlett Semi-Dwarf

8-10'x10-15', Oval shaped habit produces white blossoms in spring followed by large flavorful yellow fruit from August through September. Vigorous grower.

PBSD7 7 gal **79.99** 109.99

Pear, Moonglow

Vigorous and very upright tree with fruit that is fireblight resistant.

PM7G 7 gal **79.99** 109.99

Plum

Plum, Mt Royal

12'x15', Dark purple skin with sweet, juicy and flesh.

PMRSD7G 7 gal **79.99** 109.99

Plum, Stanley Semi-Dwarf

12'x15', Round habit produces white blooms in spring followed by dark blue fruit with yellowish green freestone flesh in September.

PLSTSD7G 7 gal **79.99** 109.99

Raspberry

Raspberry, Heritage

3'x5', Large, sweet, red fruit that ripens in July.

RASPH3 3 gal **26.99** 34.99

Raspberry, Raspberry Shortcake

2-3'x2-3', Thornless and self-pollinating. Sweet red fruit in summer.

RASPRS2 2 gal **29.99** 39.99

Note:

Raspberries are self-pollinating and require 6+ hours of sun and a soil pH of 5.5-6.5. Black Raspberries will grow similar to Blackberries. Red and Yellow Raspberries will grow more shrub-like.

Give them room to spread.

Patio Plants

Flowering

Dipladenia & Mandevilla

Heat-loving, drought tolerant, and prolific bloomers. Mandevilla have a vining growth habit whereas Dipladenia are bushier.

Hibiscus

Large showy flowers that bloom reliably all summer long. Color options include red, orange, yellow, peach, pink, and white. Premium varieties come with double or multicolored flowers. Multiple sizes are available in bush, standard, or braided forms.

Oleander

Heat loving and drought tolerant. Attractive, slender foliage leads to clusters of bright red, pink, or white flowers. Available in bush, standard, or braided forms.

Bougainvillea

Heat loving and drought tolerant. Clusters of bracts transition to vibrant floral colors including pink, coral, orange, yellow, and purple. Can be grown in many different forms.

Plumbago

Free-form growth habit and drought tolerant. Flowers are either white or light blue, with the blue being a uniquely vibrant and highly coveted hue.

Foliage

Kimberly Queen Fern

Reliable and tough fern with an upright growth habit.

Boston Fern

Cascading foliage with wispy greenery.

Macho Fern

Upright then cascading fern with large leaves on exceptionally long fronds.

Majesty Palm

Quintessential patio palm that provides a lush, tropical look all summer long.

Cat Palm

Glossy fronds and a compact growth habit make this palm reliable.

Robellini Date Palm

Drought tolerant and showy palm that often boasts thick trunks crowned with wispy foliage. Handles high winds.

Chinese Fan Palm

Thick and shapely leaves make for a striking statement piece

Adonidia Palms

Elegant trunks lead to sturdy fronds that tolerate exposed conditions

Cordyline

Many colorful options to choose from that include shades of burgundy, red, pink and/or green. Sun tolerance depends on the variety.

Croton

Heat loving. Vibrant colored foliage with sharply contrasting shades of red, orange, yellow, and green. Achieves optimal color range in part to full sun.

Often Overlooked Stand-Outs

Shade Trees

Swamp White Oak & Bur Oak

Both are great options for a large shade tree. They do very well in our clay soil and sporadic weather patterns.

Linden

Its fragrant blooms are great for pollinators. The underside of the foliage is a lighter green than the top, giving texture to the tree. It is also a relatively fast growing tree.

Blackgum

A great alternative to a red maple. It has glossy green foliage that turns fire red in the fall. It will also tolerate wet soils.

Dawn Redwood & Bald Cypress

Both are deciduous conifers. Their fine textured foliage doesn't leave a mess in the fall. They both are fast growers and tolerate wet soils.

Perennials

Baptisia

One of the first nectar sources. Unique foliage lasts all season on this herbaceous perennial. Though it dies to the ground in winter, it can function like a shrub in the landscape.

Chelone

A late season bloomer that attracts hummingbirds to shady areas. Tough, tolerant of wet soils, and deer resistant.

Spigelia

Native plant that can handle a variety of light conditions, but performs best with full sun. Attracts hummingbirds.

Ornamental Trees

Serviceberry

An alternative to ornamental pears. White spring blooms and red to orange fall foliage. They also have a berry in fall that is edible for birds and people.

Ivory Silk Lilac

An alternative to a crabapple or redbud. Large and very fragrant white blooms in early summer. Its upright habit makes it easy to mow under.

Stewartia

Needs shade in the afternoon. The camellia-like blooms give a show in late spring. Fall foliage ranges from red to orange to yellow. In the winter, you can enjoy the unique texture of its gray and beige bark.

Shrubs

Clethra

Fragrant, great bloomer, works in dense shade and can tolerate wet soils.

Chokeberry

Its white blooms and glossy foliage that turns red in fall are great. The best things about this plant is it can tolerate drought or wet soils and some shade.

Fothergilla

Fragrant blooms in the spring. The fall foliage is a mix of yellow, orange and red.

Brandywine & Winterthur Viburnum

Great alternatives to burning bush. Both have glossy foliage that turns red to burgundy in the fall. And, unlike burning bush, they will bloom in the late spring.

Prague & Alleghany Viburnum

Great options for privacy hedges. They will bloom in the spring, grow quickly and are semi-evergreen.

Delivery Fees

Note: Deliveries are made to the customer's curb line. If the customer requests delivery within the property line, Suburban will not be responsible for any accidental damage done to the driveway, turf, etc. A waiver is required.
